GOLF TOURNAMENT

This year's golf tournament scored a hole in one. The cool breeze was welcomed as twice the amount participants entered this year's tournament. There were 16 teams, making this a long tournament. The golf course provided lunches and space for everyone to warm up. There were many winners, spread throughout many categories. It's a benefit for the Korean community, this was a good way to start off the golf season. Here is the list of winners:

올해의 골프 대회에서는 훌륭한 바람은 이전보다 두배나 많이 참가자들에게 더할 나위 없는 선물이었다. 총 16개 팀으로 구성된 이번 대회에서는 어느 때보다 더 길고 치열한 경기가 펼쳐졌다. 골프 코스는 모두가 최상의 컨디션으로 경기에 임할 수 있도록 점심 식사와 공간을 제공했다. 다양한 카테고리에 걸쳐 많은 수상자가 결정되었다. 한국인 커뮤니티에 이익이 되는 것은 물론 다가올 골프 시즌을 준비하는 좋은 시간이었다. 수상자 목록은 다음과 같다.

Gross Champion: 홍순용

Grand Champion: 이영일

Flight Champions:

1. 장원빈
2. Dennis Cho
3. 정기호

15번째 연례 갈라

올해는 Asian American Chamber는 20주년과 연례 GALA의 15주년을 기념하는 뜻 깊은 해다. 컨벤션 홀의 최대 수용 인원인 600명이 넘는 게스트가 모여 역대 최대 규모를 자랑했다. 손님들은 저녁 식사가 시작되기 전 비밀 경매에 입찰하면서 서로 어울렸다. 올해의 저녁 음악은 중국의 전통 악기인 고쟁 (Guzheng) 연주자들이 선보였다. 그러나 밤의 하이라이트는 아시아 사업가들에게 수여하는 상을 수용한 로한 클리닉의 이동창 박사와 연설자들에게 돌아갔다. Simply Ming이라는 푸드 네트워크 쇼 호스트이자 올해의 연설자인 Ming Tsai는 그가 걸어온 여정의 시작을 회상하며 요리에 대한 열정을 지지해 주신 부모님에 대한 담화를 전했다. 그는 비즈니스 벤처 기업에 대한 자신의 경험에 대해 이야기하며 연설로 청중을 감탄하게 했다. 이번 행사는 아시아계 사업을 축하하는 즐거운 시간이었고 내년 갈라를 고대하는 청중의 아쉬움과 함께 막을 내렸다.

15TH ANNUAL AWARDS GALA

This year marks the 20th year for the Asian American Chamber, 15 for the annual GALA. It was the largest year with over 600 guests, filling the convention hall to capacity. Guests mingled and networked with each other as they bid for the secret auction before the dinner started. This year's dinner music was provided by a pair of talented Guzheng players. A couple highlights of the night were the awards given to Asian business leaders like Dr. Dong Chang Lee from Lohan Clinic and the keynote speaker. This year's keynote speaker, Ming Tsai is the host of a Food Network show, Simply Ming. He spoke of his beginnings and how his parents supported his passion to cook. Then he spoke about his experience with business ventures and wowed the audience with his speech. It was a good night celebrating asian businesses and everyone looks forward to this annual gala.

Keynote Speaker: Ming Tsai

서울대학교 하트랜드 지역 동창회

2018년도 장학생 선발 공고

서울대학교 하트랜드 지역 (AR, IA, KS, MO, OK) 동창회에서는
아래와 같이 장학생 모집을 공고하며, 여러분들의 적극적인
장학생 후보 추천과 홍보 및 후원을 부탁드립니다.

1. 지원자격: 하트랜드 지역에 거주하는 동포 및 그 가족
2. 선정기준: 학교 성적, 과외활동, 추천서 (2), 재정상황과 품행
3. 지원기준: 장학위원회에서 정한 지원서 (available by request through email: leech@umkc.edu) 와 지원서에 명시된 제반 서류
4. 선발인원: 3명 까지, 1 년간
5. 지원기간: 2018년 5월 1일 부터 6월 30일 까지 (마감일)
6. 선발일자: 2018년 8월 15일
7. 수여일자: 2018년 9월 15일, 동창회 정기총회 시

Seoul National University Alumni Association-Heartland

ANNOUNCEMENT OF 2018 SCHOLARSHIP APPLICATION

The Seoul National University Alumni Association in the Heartland (AR., IA., KS., MO., NE., OK.) hereby announces the availability of the Chapter Scholarship for the year 2018 as follows:

1. Applicant Qualification: Korean American, who are prospective high school graduates advancing to colleges, and/or students presently in college. The principal resident of the applicant should be in the Heartland area.
2. Selection Criteria: School records, Extra-curricular activities, Recommendation letters (2), and financial status.
3. Required Documents: Completed Chapter's Scholarship application form (available by request through email: leech@umkc.edu) and other documents described in the application form. (Please see the attached)
4. Projected Available Funds: Up to 3 recipients and one time only.
5. Application Dates: May 1 – June 30, 2018 (deadline).
6. Announcements: Winners will be announced by August 15, 2018.
7. Awarding: Sep 15, 2018 (tentative). At the Chapter's Annual Meeting and Banquet.

CONTACT: Chi H. Lee 12905 Hadley St. Tel: 913-814-9452 Email: leech@umkc.edu

MID-AMERICAN ASIAN CULTURAL ASSOCIATION 미국 중부 아시아 문화 연맹

This year's Asian festival was a jubilant occasion filled with 129,354 people celebrating and learning about all different Asian cultures. It was the largest attendance since the festival first started. This year was represented by 24 countries with China as this year's host. Also, it was the first time it was held at Overland Park Convention Center. It filled the convention center with vendors, yo yos, a marketplace and a showroom of performers. This yearly event should be on everyone's calendars.

올해의 아시아 축제는 129,354 명의 사람들로 가득 찬 즐거운 행사였고, 축제가 처음 시작된 이래 가장 많은 인원이 참석한 행사였다. 올해는 중국이 호스트를 맡아 24 개국의 아시아 국가들을 아우르는 축제를 꾸몄다. 올해는 새로운 장소가 선정되어 Overland Park 컨벤션 센터에서 진행되었다. 납품업자부터 요요즈, 마켓 플레이스, 다양한 공연까지 풍성한 행사였다. 내년 돌아올 아시아 축제를 위해 달력에 미리 표시해 두는 것을 추천한다.

캔자스의 대학들이 기금 조달 후에도 수업료 인상을 도모하다

KANSAS COLLEGES SEEK TUITION HIKES EVEN AFTER FUNDING BOOST

국회의원들이 10년 동안 안 보지 못했던 수준으로 전체 주정부 기금을 늘린 후에도 캔자스의 주립 대학들은 올 가을 다시 학비를 인상할 수 있도록 허가를 요청하고 있다. 캔자스 시티의 6개 주립 대학과 캔자스 의료 센터(Kansas Medical Center)는 주립 대학 교육위원회에 학부 생들을 상대로 수업료와 인상과 더불어 필수 요금을 1.2%에서 3%로 인상하자는 제안을 했다. 위원회는 6월에 해당 안건에 대해 투표할 예정이다. 이 제안은 2016년 삭감된 대학 운영 비용을 충당하기 위해 올해 7월부터 다음 회계 연도 동안 주 예산에 1,500만 달러를 추가하겠다는 정책 발표된 이후 나온 것이다. 대학의 총 주 예산은 5억 8천 8백만 달러에 육박하며 이는 2009년 예산 연도 이후로 가장 많은 예산이다.

그러나 이는 2009년 최종 예산보다 적은 금액이며 주 예산으로 충당되는 비율은 2009 회계 연도의 29 퍼센트에서 2019 회계 연도의 22 퍼센트로 계속 하락했다. 따라서 대학들은 운영을 위한 재원으로 학비 인상에 더욱 의존하게 되었다. 이사회는 학비를 인상함으로써 2009 회계 연도의 등록금이었던 4억 6,800만 달러보다 약 55 퍼센트 많은 7억 3,000만 달러가 모금되고 있다고 밝혔다. 캔자스 대학(University of Kansas)의 Douglas Girod 총재는 가장 최근 회의에서

캔자스 대학의 고정 지출 금액이 급격하게 증가하고 있다며, 이를 충당하기 위해서는 로렌스 캠퍼스의 학비를 3 퍼센트 인상해, 학생들이 학기당 5,574 달러를 지불하게 해야 한다고 주장했다. 또한 신입생이 4년 동안 고정 요금을 지불할 수 있던 “Compact” 프로그램을 폐지할 계획이라고 밝히기도 했다.

Kansas State University는 30년 만에 최저의 학비 인상을 제안했다. 캔자스에서 온 학부생을 대상으로 맨해튼 캠퍼스의 학비 인상률은 1.2 퍼센트에 그친다. Salina에 있는 Kansas State Polytechnic 캠퍼스의 학비는 증가하지 않을 예정이다.

TOPEKA, Kan.

State universities in Kansas are asking for permission to increase tuition again this fall even after legislators boosted their overall state funding to levels not seen for a decade. The six state universities and the University of Kansas Medical Center in Kansas City have submitted proposals to the state Board of Regents to increase tuition and required fees for undergraduate students from 1.2 percent

to 3 percent. The regents are expected to vote on the proposals in June. The proposals came after legislators added \$15 million to the state budget for the next fiscal year, which begins in July, to partially restore cuts made in university operating budgets in 2016. The total state funding for the universities, at nearly \$588 million, is higher than it has been since the state’s 2009 budget year.

But the figure doesn’t match the final 2009 budget’s funding of \$595 million, and the percentage of the universities’ budgets covered with state tax dollars has continued to decline, from nearly 29 percent in fiscal 2009 to 22 percent in fiscal 2019.

“Our state has really got to decide whether they value education or not,” said Regent Ann Brandau-Murguia of Kansas City.

The universities have come to rely more heavily on tuition dollars to finance their operations. The Board of Regents said they’re raising about \$730 million from tuition under the current state budget to supplement their state dollars — 55 percent more than the \$468 million from tuition

in fiscal 2009. University of Kansas Chancellor Douglas Girod told the regents at their most recent meeting that the institution faces “a rapid increase in our fixed costs.”

“Faculty raises are not part of this conversation and staff raises are not part of this conversation,” he said.

The University of Kansas is proposing a 3 percent increase in tuition and required fees for undergraduates from Kansas on its Lawrence campus, making it \$5,574 per semester. It is also abandoning a “compact” program that allowed incoming freshman to pay one, frozen rate for four years.

“It’s always about balancing affordability and quality,” spokeswoman Erinn Barcomb-Peterson said. “We want a KU education to be affordable for our students and families, but we also need to provide the level of education that people are going to expect from a research university like KU.”

Kansas State University noted that it is proposing the smallest tuition increase in three decades. The increase on its Manhattan campus for undergraduates from Kansas would be 1.2 percent. Undergraduate students on the Kansas State Polytechnic campus in Salina would see no increase. But state Rep. Brandon Whipple, a Wichita Democrat, said the tuition increases still would hurt students and working families.

세계 뉴스 / WORLD NEWS

북한 핵무기 폐쇄, 광물질

NORTH KOREA DEMOLISHES NUCLEAR TEST SITE AS JOURNALISTS WATCH

By ERIC TALMADGE, AP

외신 기자들은 이번 주 북한의 산속 깊은 곳을 여행하면서 북한-미국 정상 회담이 열리기 전부터 회자 되어오던 풍계리 핵 실험장 폐쇄를 지켜 볼 수 있게 되었다. 이는 세계 최후의 활동적인 지하 핵무기 테스트 장소를 폐쇄한다는 의미와 함께 트럼프와 정상회담을 가지는 김정은의 사고 방식에 대한 중요한 통찰력을 제공하는 이정표가 된다.

물질

김 위원장은 지난달 고위급 인사들의 모임에서 문재인 한국 대통령과의 정상 회담 직전에 시험장 폐쇄 계획을 발표한 바 있다. 당에 대한 그의 설명은 북한의 핵 개발이 이제 완료되었으므로 더 이상의 지하 시험이 필요 없다는 것이었다. 북한은 2006년 이후 6 차례의 지하 핵 실험을 실시 했었고, 김 위원장이 발표하기 전까지 북한은 여전히 지하 핵 실험을 실시한 유일한 국가였다.

북한은 사용 가능한 핵무기를 생산할 수 있겠냐는 여론의 의심에 대해 그 가능성을 입증했지만 많은 전문가들은 더 많은 시험을 통해 여전히 상당한 이익을 얻을 수 있다고 믿고 있다. 그런 점에서 김 위원장은 상당한 양보를 하고 있다고 볼 수 있다. 강력한 핵 폭발을 숨기기는 어렵다. 그러나 김 위원장의 시험장 폐쇄 계획은 그가 아직까지는 진행

할 의향이 있음을 보여준다. 현장에 투입되는 기자들은 기술 전문 지식, 프로세스를 분석하고 평가하는 데 필요한 장비들을 소유할 수 없다.

구경거리

시험장의 폐쇄는 날씨에 따라 수요일과 금요일 사이에 진행된다. 북한 외무부는 중국, 러시아, 미국, 영국, 한국 등 언론인들을 초청했다. 북한은 모든 터널을 폭발로 붕괴시키고 터널 입구를 완전히 막으며 관측 및 연구 시설을 철거하고 부지 보호를 위해 사용된 구조를 철수하는 과정을 진행할 것이라고 밝혔다. 인공위성 이미지에 의하면 일부 작업은 이미 시작되었다는 의견도 있다. Associated Press Television의 기자단을 포함하여 언론인들이 던지는 공개 질문도 볼 수 있다. 그들이 얼마나 오래 사이트에 머무를 수 있을지는 불분명하다. 한 가지 분명한 것은 북한이 수도 다음으로 가장 발달한 도시 원산을 장소로 채택해 북한의 위상을 높이려는 시도라고 있다는 사실이다.

주요 포인트

베테랑 북한 관측통은 이전에 우리가 해당 장소에 간 적이 있음을 주목했다. 북한은 2008년 국제 협상을 통해 약속한 20미터 (66 피트)의 냉각탑 철거를 보도할 것을 요구한 바 있다. 이에 따라 워싱턴은 북한을 테러 지원국 명

단에서 제외하고 북한에 가해진 일부 제재 조치를 해제했다. 그러나 회담은 나중에 분열되었고 영변 원자로를 다시 한번 플루토늄을 생산하고 있다. 이는 명백한 비핵화의 과정이라 보기 어렵다. 북한이 지하 시험을 끝내고 풍계리 시험장을 폐쇄하겠다는 선언은 김 위원장의 말처럼 핵 발전이 이미 완성되었고 책임감 있는 원자력 발전 국가로써 이웃 국가인 중국과 경제적 생명선에 대한 우려를 진정시키기 위한 움직임으로 해석될 수 있다.

TOKYO (AP)

Foreign journalists will be allowed to journey deep into the mountains of North Korea this week to observe the closing of the country's Punggye-ri nuclear test site in a much-touted display of goodwill before leader Kim Jong Un's planned summit with President Donald Trump next month. The public display of the closure of the facility on Mount Mantap will likely be heavy on spectacle and light on substance. For sure, the closure is a milestone, marking an end to the world's last active underground testing site and offering some important insights into Kim's mindset as he sets the stage for his meeting with Trump. A look at what's hype and what's worth paying attention to:

THE SUBSTANCE

Kim announced his plan to close the test site during a gathering of senior party leaders last month, just ahead of his summit with South Korean President Moon Jae-in. His explanation to the party was that North Korea's nuclear development is now complete and further underground testing is unnecessary. North Korea has conducted six underground nuclear tests since 2006. Before Kim's announcement, North Korea was the only country that still conducted underground tests. While the North has demonstrated beyond a doubt that it can produce viable, high-yield nuclear weapons, many experts believe it could still benefit considerably by conducting more tests. So in that sense, Kim is making a significant concession. It's hard to hide a high-powered nuclear blast. But the way Kim plans to dismantle the site shows he is, as yet, only willing to go so far. Journalists do not have the technical expertise, the time spent on site or the equipment necessary to properly analyze and assess the process.

THE DOG AND PONY SHOW

The site's closure will take place sometime between Wednesday and Friday, depending on the weather. North Korea's Foreign Ministry has invited journalists from China, Russia, the United States, the United Kingdom and South Korea to fly on a charter aircraft from Beijing for what it is calling a "ceremo-

ny” marking the event. North Korea says the process will involve collapsing all tunnels with explosions, completely blocking tunnel entrances, removing all observation and research facilities and taking down structures used for guarding the site. Satellite imagery suggests some of the work has already begun. How much of it the journalists, including an Associated Press Television crew, will be able to see is an open question. It’s unclear how long they will be allowed to stay at the site. What is clear is why they are going to Wonsan, which is probably the most presentable city in North Korea after the capital.

THE TAKEAWAY

Veteran North Korea watch-

ers note that we have been to this rodeo before. With international talks to dismantle its nuclear program underway in 2008, North Korea called in the foreign media to film the demolition of a 20-meter (66-foot) -tall cooling tower at its Yongbyon nuclear reactor. The move prompted Washington to take North Korea off its list of state sponsors of terrorism and lift some sanctions. The talks later fell apart, and the reactor at Yongbyon is once again producing plutonium. None of this is necessarily about denuclearization. The North’s declaration that it will end its underground testing and close the Punggye-ri site could just as well be interpreted as a move to bolster Kim’s claim that his country is now a re-

sponsible nuclear power and appease the concerns of its neighbor and economic lifeline, China.

The closing of the site is not an irreversible move and would need to be followed by many more significant measures to meet Trump’s demand for real denuclearization. NK also did not invite international nuclear weapons inspectors, opting instead for the impact of the television footage to impress the world. The event was, indeed, impressive.

The first blast the visiting journalists witnessed came at around 11 a.m. after they made a 12-hour plus trip by train and convoy through the night and over bumpy dirt roads. That explosion col-

lapsed the complex’s north tunnel, which was used for five nuclear tests between 2009 and last year.

Two other explosions, at around 2:20 p.m. and 4 p.m., collapsed the west and south tunnels, according to officials. Also blown up were observation posts and barracks used by guards and other workers at the facility. A tunnel on the eastern side had already been shut down after an initial nuclear test in 2006.

NK said the demolition did not cause any leakage of radioactive materials or have any “adverse impact on the surrounding ecological environment.”

The journalists were allowed to stay at the site for about nine hours.

KOREAN WAR VETERANS’ ADVOCATE HANNAH KIM TO VISIT KOREAN WAR MEMORIAL IN KANSAS CITY, MAY 25.

Kansas City, Missouri

At 11:00am on Friday, May 25, Hannah Y Kim, a woman with a mission, will visit the Korean War Veterans Memorial in Washington Square Park and present a commemorative wreath. This is part of an ambitious three-month journey visiting Korean War memorials in all 50 states, to honor and remember those who served in that long ago, faraway conflict, 1950-53, and to help promote peace on the Korean Peninsula. Given the alarming level of tensions in the region today, her mission could not be timelier.

Hannah also hopes that her journey will raise awareness about the Wall of Remembrance, the long-overdue addition to the Korean War Veterans Memorial in Washington, D.C. The Wall was approved by Congress in 2016, but a lack of funding has delayed its construction for two years. As a result, the names of the near-

ly 37,000 Americans who died in Korea are still waiting to be inscribed for posterity.

Hannah’s devoted activism on behalf of Korean War veterans began in 2008, when she was a 24-year-old graduate student in Washington, D.C. and established Remember727, an organization dedicated to honoring veterans of the so-called “Forgotten War.” Hannah lobbied Congress to enact legislation, signed by President Obama in 2009, that established July 27 as National Korean War Veterans Armistice Day.

She subsequently worked for Congressman Charles B. Rangel, a decorated Korean War veteran, as his communications director and later as his chief of staff. When Congressman Rangel retired in 2017, Hannah embarked on an epic journey around the world, visiting every country that was part of the UN effort during the war. She interviewed

200 veterans to memorialize their stories, because, as she told them, “If you hadn’t fought in Korea, I wouldn’t be here.”

Several representatives from veterans organizations will be present for the brief ceremony, which is open to the public and the media. Following the ceremony, Hannah Y Kim will be available for media interviews.

What: Hannah Y Kim Visit to Korean War Memorial -- Part of her Three-Month National Tour
When: 11:00am, Friday, May 25
Where: Korean War Veterans Memorial, Washington Square Park, 174 E Pershing Rd, Kansas City, MO 64108

MOON SHINES AS HE DRIVES DIPLOMACY WITH NORTH KOREA

KIM TONG-HYUNG, Associated Press

SEOUL, South Korea

To his supporters, South Korean President Moon Jae-in is a master negotiator who's fixing decades of bad nuclear diplomacy with North Korea. To his critics, he's falling prey to the same old trap that has claimed previous South Korean presidents — but with an important difference: This time the stakes are much higher.

Whoever's right, it's hard to ignore Moon's role as the architect behind a new global push to settle the nuclear standoff with the North. The outcome of his efforts may hinge on a meeting in Singapore next month between North Korean leader Kim Jong Un and President Donald Trump, who spent months contemplating military strikes against the North before Moon steered him to the table. Moon, a soft-spoken liberal, hosted Kim in a summit last month that saw them stride hand-in-hand across the border and pledge the “complete denuclearization” of the Korean Peninsula, an ambitious declaration that was light on specifics.

Moon doesn't have the power to resolve North Korea's weapons programs on his own. But in hustling between

Pyongyang and Washington to set up the Kim-Trump summit and offering to broker other meetings with Pyongyang, Moon is fulfilling his promise to push South Korea into the driver's seat in diplomacy with the North.

“South Korea has never had a leader like Moon, who actively embraced a leading role in planning and coordinating a global approach to the North,” said Hong Min, a senior analyst at Seoul's Korea Institute for National Unification. “He managed to convince Washington that Pyongyang would change course after a year of brinkmanship. He convinced Pyongyang he would be able to move Washington.”

Despite the dangers — a derailed Trump-Kim summit might revive the animosity that enveloped the peninsula last year — Moon's push has proven wildly popular: A Gallup Korea poll last week measured his approval rating at 83 percent, a striking number in a country deeply divided along ideological and generational lines.

PULLING THE STRINGS

Moon's central presence could be seen Wednesday in a

three-way meeting in Tokyo when he got Japan's prime minister and China's premier to issue a joint statement in support of the inter-Korean declaration, which he's looking to sell as a meaningful breakthrough that could create a positive atmosphere for the Kim-Trump meeting.

The recent flurry of diplomatic activity was almost unimaginable for most of last year, when the North ripped off a torrid run of weapons tests, including an underground detonation of a purported thermonuclear warhead and three separate tests of intercontinental ballistic missiles with a range that could strike the continental United States. Kim and Trump exchanged insults and threats of nuclear annihilation, drowning out Moon's repeated calls for diplomacy. The dynamics shifted after Kim used his New Year's speech to propose talks with the South to reduce animosity. The North then sent hundreds of people to the Pyeongchang Winter Olympics in the South, including Kim's sister, who conveyed her brother's desire for a summit with Moon. Moon later brokered the meeting between Kim and Trump.

FINDING HIS SPACE

Moon, the son of North Korean war refugees, has vowed to build on the legacies of late liberal Presidents Kim Dae-jung and Roh Moo-hyun and their so-called “Sunshine Policy,” which Moon had a hand in building. Seoul's economic inducements resulted in a temporary rapprochement and two summits with the North in 2000 and 2007 that involved Kim Jong Un's late father, Kim Jong Il. Critics say it gave the North a lifeline as it pursued its nuclear dreams.

Moon says the decade of hard-line conservative policies he ended when elected last year did nothing to stop Pyongyang's weapons advancements. He has balanced his criticism of the North's nuclear program with hints of ambitious economic promises in exchange for a “complete, verifiable and irreversible denuclearization.”

While Moon is in a significantly tougher spot than his liberal predecessors, who governed when the North's nuclear threat was nascent, he also has more time — four more years in his term — and political space to assert his voice. Kim Dae-jung's engagement

with North Korea was often a source of discord with the hard-line administration of former President George W. Bush. Disagreements between Washington and Seoul continued during Roh's government, and the Koreas were never able to build on Roh's last-minute summit with Kim Jong Il in 2007.

For all their differences in personality, Moon has been able to maintain a coordinated approach with Trump on North Korea. Moon has so far stayed firm on sanctions, and he offered vocal support to Trump's pressure campaign last year during the North's weapons tests. While reaching out to the North in past months, Moon has credited Trump at every step, even suggesting that he take the Nobel Peace Prize if there's peace in Korea.

"It's not a bad way to approach the North — Moon playing the good cop to Trump's bad cop," said Koh Yu-hwan, a North Korea expert at Seoul's Dongguk University.

WILL KIM DENUKE?

There are doubts about whether Kim will ever agree to fully relinquish the nukes he likely sees as his only guarantee of survival.

Moon has maintained that Kim is genuinely interested in dealing away his nuclear weapons in return for economic benefits. But North

Korea for decades has been pushing a concept of "de-nuclearization" that bears no resemblance to the American definition. The North vows to pursue nuclear development unless Washington removes its troops from the South and the nuclear umbrella defending South Korea and Japan.

Moon may face credibility problems if it becomes clear that Kim won't give up his nukes easily. Seoul could also be pushed aside if Washington chooses to deal more directly with China, the North's only major ally and economic lifeline. Moon has been upstaged by separate summits between Kim and Chinese President Xi Jinping, which were seen as strengthening the positions of both countries ahead of the Kim-Trump talks.

The focus may now shift from Moon to Kim, who some believe may want to drag out negotiations until Trump is replaced by a U.S. president seen as less willing to ponder the use of military force against the North at the risk of triggering war.

HYUNDAI INVESTING \$388M TO UPDATE ALABAMA PLANT, BUILD OTHER

MONTGOMERY, Ala.

Hyundai plans to invest more than \$350 million to build a plant in Alabama and also update an existing one there, officials said Tuesday.

The automotive manufacturer with headquarters in Seoul, South Korea, said it plans to invest \$388 million to construct the 260,000-square-foot (24,000-square-meter) engine head manufacturing plant, as well as enhance its assembly plant in Montgomery, news outlets reported.

The investment is the company's biggest in the plant since it opened in 2005, and the new facility is scheduled to be operational by mid-2019.

The plant will create 50 new jobs with an average annual salary of \$52,000, Gov. Kay Ivey said. The company has already started fielding applications for the workers, who will begin in March.

Some new positions will be taken by current employees and their jobs will be filled with new workers, plant spokesman Robert Burns said.

The company is investing in new manufacturing technologies at the plant,

Hyundai Motor Manufacturing Alabama President and CEO Dong Ryeol Choi said. The money will support operations for making new models of Sonata and Elantra sedans.

Hyundai announced in March that its redesigned Santa Fe SUV would be assembled entirely in Montgomery. Full production starts Friday.

Chris Susock, the plant's vice president of production operations, had said the company expects the new Santa Fe to reverse a trend that had the plant decrease its overall production. For several years, the plant made only Sonata and Elantra sedans.

The plant has nearly 3,000 full-time employees.

SPRINT와 T-MOBILE \$ 26.5 BILLION 거래 AP EXPLAINS: THE PROPOSED SPRINT AND T-MOBILE \$26.5B DEAL

MAE ANDERSON, AP Technology Writer

Sprint와 T-Mobile은 고속 무선 인터넷, 지방 서비스 및 미국 경쟁력 확보를 위해 약 26억 달러 규모의 조합을 발표했다. 일요일 발표된 이 계약을 통해 미국의 3.4위 무선 통신 회사가 결합해 인터넷 대기업인 Verizon과 AT & T와 상대할 만한 규모가 탄생한다. 아래는 해당 계약이 전화 요금 및 서비스 개선에 가질 영향이다.

4에서 3으로

T-Mobile과 스프린트는 휴대폰 산업을 뒤 흔들어 왔다. 한가지 우려되는 부분은 세 개로 줄어든 인터넷 대기업 정세가 가격 및 서비스 혁신을 유지하는 인센티브를 줄어 들게 할 것이라는 전망 때문이다. 특히 T-Mobile과 Sprint는 더이상 가격으로 경쟁할 필요가 없기 때문에 서비스 요금을 인상 할 수도 있다. 반면, 무선 인터넷 업계는 진화하고 있으며, 보다 빠른 5G 서비스로 보급되고 있다. T-Mobile과 Sprint는 하나의 기업으로써 더 나은 5G 네트워크를 구축 할 수 있을 것이라 전망했다.

5G란?

5G는 무선 회사들이 현재 4G 서비스를 대체하기 위해 투자하고 있는 차세대 모바일 네

트워크이다. 5G는 휴대폰에 보다 빠른 무선 서비스를 제공하는 것을 목표로 하는데 전문가들은 5G의 진가는 자동차, 주택을 포함한 다양한 시설을 사용할 수 있는 네트워크를 구축하는데 있다고 주장한다. T-Mobile과 Sprint는 전파의 각기 다른 부분을 소유하고 있는데, 그 조각들을 결합하여 더 나은 네트워크를 제공할 수 있다는 입장이다. 그러나 아직 5G는 충분히 개발되지 않았다. 적어도 2020년까지는 전국적으로 사용될 준비가 되어있지 않다. 자동차와 주택 같은 혁신적인 적용은 그 이후가 되어야 제공될 수 있을 것이라는 의견이다. 또 Sprint와 T-Mobile은 각각 다른 주파수와 기술을 사용하기 때문에 호환에도 차질이 생길 수 있다. Leigh는 약 2,000 만 명의 Sprint 고객은 T-Mobile의 네트워크와 호환이 가능한 기기를 보유하고 있지만 약 3,000 만 명의 고객은 기기를 교체해야만 이득을 볼 수 있을 것이라고 주장했다.

지방 서비스

Sprint와 T-Mobile의 또 다른 마케팅 전략은 시골 지역에 수백 개의 신규 점포를 열어 더 많은 일자리와 서비스를 제공한다는 것이다. 농촌 계획에 대한 자세한 설명은

없었지만 케이블과 같은 유선 서비스와 경쟁할 만한 무선 연결을 제공함으로써 광대역 경쟁을 촉진 할 것이라고 약속했다. 그러나 일부 분석가들은 해당 지역에 대한 공약이 사용자들보다는 지방 의회에 어필하기 위해 제안한 공약이라고 믿는다.

정부 승인

이 거래는 2019 년 상반기까지는 확정되지 않을 전망이다. 그 전까지는 법무부와 연방 통신위원회가 해당 계약의 정당성에 대한 검토할 예정이다. MoffettNathanson의 분석가인 Craig Moffett는 “가격 인하보다 5G에 대한 강조는 규제 당국의 승인을 얻기 위해 기업이 취할 것으로 “정확히 예상했던 것 “이라고 말했다. 미국은 중국을 비롯한 다른 국가들과 기술 개발 경쟁 중에 있다. Sprint와 T-Mobile은 미국이 텔레콤 분야에서 선두를 유지하기 위해서는 5G를 빠른 시일 내에 확산할 수 있는 이번 계약이 핵심적이라고 주장했다.

NEW YORK (AP)

Sprint and T-Mobile are stalking up their \$26.5 billion combination as great for high-speed wireless investments, rural service and U.S. competitiveness. But there are reasons to doubt the deal

would do much on any of those fronts – and that it could also result in higher wireless costs for consumers.

The deal announced Sunday would combine the nation’s third- and fourth-largest wireless companies and bulk them up to a similar size as Verizon and AT&T, the industry giants.

Here’s a look at how the deal might affect your phone bill and prospects for better service.

FROM FOUR TO THREE

T-Mobile and, to a lesser extent, Sprint have been leaders in shaking up the cellphone industry. The “Big Four” wireless carriers now offer lower prices and more choices, including the restoration of unlimited data plans. Two-year service contracts are gone. That’s been a boon to consumers.

The worry is that with just three major carriers, there would be less incentive to keep innovating on prices and service. T-Mobile and Sprint might even raise prices now that they don’t have to try to poach customers off each other.

On the other hand, the industry is evolving. The wireless carriers aren’t just competing with each other, but also with Comcast and others as the wireless, broadband and

video industries converge. The industry is also moving toward faster, 5G service; T-Mobile and Sprint believe they can build a better 5G network as one. Having a strong 5G challenger to Verizon and AT&T might be better than “two weak companies in lanes three and four,” said Berin Szoka, president of the non-profit think tank TechFreedom.

WHAT’ S THIS 5G ALL ABOUT?

5G is the next-generation mobile networks that wireless companies are banking on to replace current 4G services. Sprint CEO Marcelo Claure likens to switch to going from black-and-white to color TVs. While 5G aims for faster wireless service for your phones, analysts say the real key to 5G will be enabling its use in connected cars, homes and other infrastructure. Jason Leigh, an analyst at research firm IDC, said that by joining forces, the combined network might be “deeper and broader” than what either could have done individually. T-Mobile and Sprint each has rights to different portions of the airwaves and say that a better network can grow out of combining those slices. But there are still a lot of unknowns related to 5G. For one thing, it isn’t set to roll out nationally until at least 2020. And some of the more innovative uses, such as cars and homes, won’t come until after that.

As for the existing 4G network, service might improve marginally, but the companies already have roaming agreements to offer service where

they don’t have their own cell towers. And there’s the mess of Sprint and T-Mobile each using different cellular technologies and frequencies. Leigh says that while about 20 million Sprint customers have phones that are compatible with T-Mobile’s network, about 30 million Sprint customers would need to upgrade their handsets.

Shifting all customers to 5G in coming years will “soften the blow somewhat,” he said.

RURAL SERVICE

Another selling point used by Sprint and T-Mobile is that it will open hundreds of new stores in rural areas, creating more jobs and service offerings. The companies didn’t go into much detail about those rural plans, but promised to boost broadband competition by offering mobile connections that rival wired services such as cable.

But rural areas are not typically big money makers for telecom companies. That’s one reason cable and other broadband offerings are poor in rural areas. It’s also a reason wireless connections tend to be slower there, if there’s service at all. Some analysts believe the rural promises might be more an attempt to please regulators than a major part of the deal.

“I don’t think it will necessarily drive a whole lot of revenue but it makes it look good from the perspective of Congress,” Leigh said.

GOVERNMENT APPROVAL

Any changes will likely take months, if not years. The deal isn’t expected to finalize until the first half of 2019. Before

that happens, the companies need the approval of both the Department of Justice, which will look at antitrust concerns, and the Federal Communications Commission, which examines whether deals are in the public interest. MoffettNathanson analyst Craig Moffett said the companies’ emphasis on 5G rather than lower prices is “exactly what one would have expected” to make the case for regulatory approval. He said the deal has “50/50” odds of passing regulatory muster. The U.S. is in a race with China and other countries to be on top as this technology is developed and implemented. In fact, the U.S. recently blocked Singapore-based Broadcom’s takeover bid for Qualcomm due to concerns

about giving China an edge on 5G technology. T-Mobile and Sprint say the deal is important for the U.S. to keep its lead in telecom, as it would allow the companies to build 5G much more quickly.

“That argument may carry more weight at the FCC, where the Commission has wide latitude to define ‘public interest’,” he said.

미 - 중 회담: 단기적인 구호, 장기적인 위험

RESULT OF US-CHINA TALKS: SHORT-TERM RELIEF, LONG-TERM RISKS

PAUL WISEMAN, AP Economics Writer

미국과 중국 간의 무역 분쟁이 일시적으로 중단되면서 양국 간 긴장감을 잠시 풀리고 중국 상품에 대한 미국의 관세 부담이 줄어 주식 시장이 활기를 띠고 있다. 그러나 장기적인 관점은 밝지 않다. 지난 주말의 회담 결과는 도널드 트럼프의 아메리카 퍼스트 정책 지지자들을 뒤집어 놓았고, 주요 차이점은 견드리지도 않은 채 세계 2대 경제권 간의 파괴적인 무역 전쟁의 가능성도 그대로이기 때문이다.

양국이 발표 한 모호한 성명서에는 워싱턴과 베이징 간의 분쟁의 핵심이 되는 문제에 관한 아무런 언급도 없었다. 그 문제는 바로 중국이 미국을 상대로 기술적 우위에 도전하기 위해 사용하는 강경 전술이다. 중국은 강경 전술을 이용해 미국의 무역 비밀들을 사이버 상으로 도난, 이를 이용해 미국 기업이 중국 시장에 진출할 수 있다는 대가로 미국의 기술 일부를 넘겨 줄 것을 요구한다. 이에 대해 미국은 중국 제품에 최대 1,500억 달러의 관세를 부과하지 않기로 약속했으며, 베이징은 미국의 거대한 중국 무역 적자를 '실질적으로 줄이는데' 동의했다. 그러나 베이징은 구체적인 약속은 하지 않았다.

Steven Mnuchin 재무 장관은 미국의 관세가 중단 될 것이라는 발표를 하며 세계 시

장에 안도감에 주었다. 그러나 축하는 시기 상조 일 수 있다. 중국 정부는 미국이 무역 격차를 2000억 달러로 줄이라는 요구를 거절했는데, 대부분의 경제학자들이 이 수치는 이미 비현실적이라고 주장했다. 미국은 지난해 3370억 달러의 상품과 서비스로 중국과 적자를 기록했다.

트럼프 대변인은 Wilbur Ross 상무부 장관을 파견해 리우 부총리가 이끄는 중국 대표단과 지난 주 회담에서 언급되지 않은 세부 사항에 정착하려고 노력했다. 일부 분석가들은 현재 트럼프가 6월 12일 북한의 김정일 국방 위원장과의 회담을 앞두고 중국과의 관계 개선을 주로 원할 수도 있다고 지적했다. 미국은 북한의 국경을 봉쇄하고 국제 제재를 위반하여 김정일 정권에 물품이 들어오는 것을 막기 위해 평양에 영향력을 행사하는 베이징의 도움이 필요하다.

지난 달 정부는 강제 기술 이전에 항의하기 위해 중국 수입 500억 달러에 대한 관세를 제안했다. 트럼프는 차후 Lighthizer에게 추가로 중국 제품에 1,000억 달러의 관세를 부과하도록 요청했다. 중국은 미국의 심장부에 있는 트럼프 지지자들이 주로 생산하는 쿵을 포함하여 미국 제품에 500억 달러 관세를 부과하며 대응했다. 무역 전쟁의 전망은 금융 시장을 흔들

어 놓았고 기업 임원들을 긴장시켰다.

양측이 발표 한 성명서는 미국에서 중국으로 강제 송환되는 기술 문제에 대한 언급이 없었다. 그러나 베이징은 "Made in China 2025" 이니셔티브에서 구체화 된 로봇 및 인공 지능 분야에서 세계적인 국가가 되겠다는 다짐을 저버리지 않을 것이다. 이 프로젝트는 중국이 정보 기술에서 서부터 전기 자동차, 의약품에 이르기까지 세계적 수준의 경쟁력을 갖추 것을 요구한다. Atkinson 장관은 트럼프 정부가 추가 쿵 수출에 대한 댓가로 중국의 다소 공격적인 기술 정책을 기꺼이 승낙할 것으로 보인다고 전했다.

WASHINGTON

In the short run, a truce in the trade conflict between the United States and China has lightened tensions, halted the immediate threat of U.S. tariffs on China's goods and cheered stock markets. The long-run picture may not be so sunny. The outcome of last weekend's talks upset supporters of Donald Trump's American First policies, left key differences untouched and kept alive the risk of a destructive trade war between the world's two biggest economies.

A vague statement the two countries released said next to nothing about the issue at the

heart of the dispute between Washington and Beijing: The hardball tactics China uses to challenge U.S. technological supremacy. Those tactics include outright cyber theft of trade secrets and demands that American companies hand over some of their technology in exchange for access to the Chinese market.

"They failed to drill down on the biggest frictions facing U.S. businesses and on those where we are most able to move the Chinese," said Mary Lovely, a Syracuse University economist who specializes in trade.

In exchange for the United States agreeing to hold off on tariffs on up to \$150 billion in Chinese goods, Beijing did agree to "substantially reduce" America's huge trade deficit with China. But Beijing made no specific commitment. Treasury Secretary Steven Mnuchin's declaration that the American tariffs would be suspended contributed to a sense of relief in global markets that the two countries had stepped back from the brink. The celebration could prove premature.

"We are not out of the danger zone yet," said Nick Marro, a China analyst with the Economist Intelligence Unit.

"There is still a high risk of a trade war, even if the timeline to getting there has been

extended.” Beijing refused to buckle under to a U.S. demand to slash the U.S. trade gap by a specific amount: \$200 billion, a figure seen by most economists as wildly unrealistic anyway. The U.S. ran a deficit with China in goods and services last year of \$337 billion. Lovely, the Syracuse economist, said the U.S. was distracted by an “ill-advised focus” on the trade deficit. She said the Chinese, who increasingly have their own technology to defend, might be open to strengthening intellectual-property protections and to pressuring local governments to stop demanding technology transfers. U.S. Trade Rep. Robert Lighthizer issued a sharp statement: “Getting China to open its market to more U.S. exports is significant, but the far more important issues revolve around forced technology transfers, cyber theft and the protection of our innovation.” “The U.S.,” Lighthizer continued, “may use all of its legal tools to protect our technology through tariffs, investment restrictions and export regulations. Real structural change is necessary. “White House economic adviser Larry Kudlow said the threatened tariffs had been suspended “right now,” but would not be removed as a negotiating or enforcement tool. “I don’t think we’re saying tariffs are over — far from it,” he said in an interview with CNBC. Trump is dispatching Com-

merce Secretary Wilbur Ross to try to settle on the kinds of details that were sidestepped in last week’s talks with a Chinese delegation led by Vice Premier Liu He. Some analysts say that for now, Trump might have wanted mainly to smooth over relations with China before his planned June 12 meeting with North Korean leader Kim Jong Un. The U.S. needs the help of Beijing, which wields influence in Pyongyang, to help seal North Korea’s border and prevent goods from reaching Kim’s regime in violation of international sanctions. The U.S.-China trade truce drew fire from some who had applauded Trump’s campaign pledge to overturn decades of U.S. trade policy and crack down on China and other trading partners they accuse of abusive practices. “More false promises and delaying tactics,” tweeted Dan DiMicco, a former steel executive who served as a trade adviser to Trump during the presidential race. “Been there for 20+ years. It needs to be different this time as promised.” Still, the Trump administration trumpeted what it said had been achieved in two days of talks. Kudlow said the discussions had achieved “terrific progress” aimed at ending “unfair, illegal trading practices.” Treasury Secretary Mnuchin predicted a big increase — 35 percent to 45 percent this year alone — in farm sales to China and a doubling in sales of energy products to the

Chinese market. Trade analysts and China watchers were underwhelmed.

“Energy exports to China are already soaring,” Derek Scissors of the conservative American Enterprise Institute wrote in a blog post. Mnuchin is “promising to win something already happening... the U.S. is folding again.” Lighthizer last summer began investigating Beijing’s tactics to challenge U.S. technological dominance. Last month, the administration proposed tariffs on \$50 billion of Chinese imports to protest the forced technology transfers. Trump later ordered Lighthizer to seek up to an additional \$100 billion in Chinese goods to tax. China responded by targeting \$50 billion in U.S. products, including soybeans — a direct shot at Trump supporters in America’s heartland. The prospect of a trade war has shaken financial markets and alarmed corporate executives. So some business groups were relieved by the cease-fire.

“We’re pleased that the two sides apparently made enough progress to dial back on the tariffs and other threats,” says John Frisbie, president of the U.S.-China Business Council. But Frisbie said he wanted to see further progress in addressing U.S. businesses’ complaints about how they are treated in China. In particular, the statement the two sides issued skirted over the key issue of forced technology transfers from the United States to China. Yet Beijing may not be willing to

bargain away its drive to become a technological power in such areas as robotics and artificial intelligence, embodied in its “Made in China 2025” initiative. That project calls for China to develop world-class competitors in fields from information technology to electric cars to pharmaceuticals.

“The Chinese would be more than happy to give up their trade surplus,” says Robert Atkinson, president of the Information Technology and Innovation Foundation think tank. “They care about one thing, and that’s Made in China 2025.”

Atkinson said the Trump administration seems willing to give the Chinese a pass on their aggressive technology policies in exchange for additional soybean exports:

“Do we really want to live in a world where we’re a third-world natural resource exporter, while the Chinese are the powerful technological machine?”

AP Writer Ken Thomas contributed to this report.

박지수 WNBA 개막 로스터 진입 JI-SU PARK MADE WNBA ROSTER FOR OPENING NIGHT

박진언: 스포츠 매니지먼트 (KU)

한국 농구의 “보물” 박지수는 지난 17일 그녀의 소속 팀 라스베이거스 에이스가 발표한 개막 로스터 11인에 포함되었다. 한국 선수가 WNBA 정규리그 로스터에 포함된 것은 2003년 시애틀 스톰에 소속된 정선민 이후 15년 만이다. 그 사이 2007년 김계령(피닉스 머큐리)와 2017년 고아라(LA 스팅크스)가 WNBA에 도전하였지만 정규리그 로스터에 이름을 올리지는 못했다. 그녀의 소속 팀 라스베이거스 에이스에는 17명에 선수가 있었으며 오직 12명만이 개막 엔트리에 포함될 수 있었다. “보물 센터” 박지수는 두

차례 시범경기에서 평균 6득점, 4.5 리바운드, 2.5 블록슛을 기록하며 당당히 정규리그 로스터 한자리에 이름을 올리게 되었다. 또한, 박지수는 시즌 개막을 앞두고 진행된 12개 구단 단장 설문 조사에서 “이번 시즌 가장 기대되는 외국인 선수”와 “현재 크게 주목받지 못하고 있는 가장 큰 성공을 거둘 선수” 부분에서 공동 2위와 4위에 오르며 국내 농구 팬들에게 그녀에 대한 기대감을 높였다.

In May 17, Las Vegas Aces announced roster for Opening Night, and “Korean Cen-

ter” Ji-Su Park named to the roster. This is the first-time Korean player is included in WNBA regular season roster since 2003 when Sun-min Jung made Seattle Storm’s roster. For 15 years, Although Kwe Ryong Kim (2007, Phoenix Mercury) and Ah Ra Go (2017, Los Angeles Sparks) entered training camp, they did not make regular season roster. Only 12 players can be included on regular season roster, and Las Vegas Aces had 17 players. “Korean Center” Ji-Su Park took a one of the position with 6 PPG (Point Per Game) 4.5 RPG (Rebound Per Game) 2.5

BLKPG (Blocks Per Game) in the preseason. On May 16, WNBA.com announced GM survey. Ji-Su Park named second on “Which international player is most likely to have a breakout season?”, moreover, she was ranked fourth on “Which sleeper rookie is most likely to be a success?” The Korean public attention is growing over and over. Her WNBA challenge has just started.

“악마의 재능” 강정호 비자 발급 후 피츠버그 합류 JUNG HO KANG GETS ISSUED A VISA

박진언: 스포츠 매니지먼트 (KU)

지난 4월 26일 피츠버그 구단은 보도자료를 통해 강정호가 비자 발급을 받고 곧 팀에 합류한다고 발표하였다. 2년 전, 강정호는 한국에서 세 번째 음주운전이 적발돼 법원으로부터 징역 8개월 집행유예 2년을 선고받아 미국 취업비자를 발급받는데 난항을 겪으며 1년 넘게 소속 팀 피츠버그에 합류하지 못했었다. 비록 강정호가 취업 비자를 받고 팀에 합류하게 됐지만 1년 넘게 쉬며 실전 감각이 전무한 상태라 당장의 복귀는 힘들다. 지난겨울, 강정호는 쉬는 동안 구단의 배려로 도미니카공화국 윈터리그를 소화하였지만 24경기에서 타율 0.143과 1홈런

에 그치면서 방출당하며 다시 국내로 돌아와 개인 훈련을 해왔다. 극적으로 취업비자를 발급받은 그는 현재 플로리다 브레이든턴에 위치한 피츠버그 파이어리츠 훈련장에서 개인 스프링 캠프 훈련과 연습 경기 출전을 통해 실전 감각을 끌어올리며 빅 리그 복귀를 준비하고 있다. 강정호는 이번 시즌 후 FA를 앞두고 있어 컨디션을 끌어올리지 못하고 경기 감각을 찾지 못한다면 이번 시즌 후 피츠버그와 재계약하지 못하고 방출될 수도 있다. 수많은 사건 사고 끝에 야구로 보답하겠다는 강정호의 약속이 지켜질지 귀추가 주목된다.

On April 26, Pittsburgh Pirates announced that “King Kang” Jung Ho Kang has been granted a U.S. VISA and will rejoin the Pirates. About two years ago, Jung Ho Kang, who spent fantastic first two seasons in Pittsburgh Pirates, had a trouble in getting U.S. VISA due to his probation for his third DUI. He couldn’t join Pittsburgh Pirates for over a year. Although he re-joined Pirates now, it doesn’t mean he comes back to the MLB right away because of long period of inactivity. Last winter, he got permission from Pirates to play in Dominican

Winter League. He got released during the season with poor performance, .143 batting average and one Homerun, and he stayed in Korea until he got a VISA last month. He prepares to come back to MLB during the training camp located in Bradenton, Florida. His contract will expire in this season. He need to prove himself worthy of re-sign. Until then, this season will be his last season in Pittsburgh or MLB. Jung Ho Kang says, “I will not disappoint anyone anymore.” We will see he can keep his promise to public.

여성 축구 토너먼트 장소가 선정되다 SITES SET FOR WOMEN'S TOURNAMENT OF NATIONS

CHICAGO (AP)

The U.S. women's national team has announced that this summer's Tournament of Nations will be played at stadiums in Kansas, Connecticut and Illinois. The U.S. will host Australia, Brazil and Japan in the tournament, which kicks off at Children's Mercy Park in Kansas City, Kansas, on July 26. The tournament shifts to Pratt & Whitney Stadium in East Hartford, Connecticut on July 29 before wrapping at Toyota Park in Bridgeview, Illinois, on Aug. 2. The four teams will play double-headers at each site, with the winner decided on points. Overall goal differential and total goals will act as the first tiebreak-

ers.

For the United States, the tournament is a tuneup for World Cup qualifying this fall. Australia, Japan and Brazil have already booked spots among the field that will play in next summer's women's World Cup in France. The matches will air on FOX Sports, which will also broadcast the World Cup.

"Friendlies are important, but there's nothing like the competitive format these tournaments provide us. Australia, Brazil and Japan are three very different teams that challenge us with their respective styles and personnel and it will be another fantastic tournament for our fans to

watch," U.S. coach Jill Ellis said in a statement.

이번 여름 여자 대표팀 토너먼트가 캔자스, 코네티컷, 일리노이의 경기장에서 개최될 것이라고 발표되었다. 미국은 7월 26일 캔자스 시티의 Children's Mercy Park에서 호주, 브라질, 일본을 상대로 토너먼트를 주최할 예정이다. 이 대회는 7월 29일 코네티컷 주 East Hartford의 Pratt & Whitney Stadium로 옮겨져 Bridgeview, Illinois의 Toyota Park에서 8월 2일 마무리 된다. 4개 팀은 각 장소에서 하루 두 경기씩 치루어 승자가 점수를 가져간다.

전체 득점 차이와 총 득점이 첫 번째 승패를 가를 것이다. 미국의 경우 이번 대회는 이번 가을 월드컵을 준비할 기회이다. 호주, 일본, 브라질은 이미 내년 여름 프랑스 여자 월드컵에서 경기를 펼칠 수 있는 권한을 획득했다. 경기는 월드컵을 방송하는 FOX Sports에서 찾아볼 수 있다. "호주, 브라질, 일본은 각기 다른 스타일과 전략으로 우리와 경기를 펼칠 팀이며 팬들에게는 더할 나위 없는 환상적인 토너먼트가 될 것"이라고 미국의 Jill Ellis 코치는 밝혔다.

AZUBUIKE WITHDRAWS FROM DRAFT, SET FOR JUNIOR YEAR AT KANSAS

LAWRENCE, Kan. (AP)

Kansas forward Udoka Azubuike withdrew his name from the NBA draft on Wednesday, choosing to return for his junior season after participating in the combine. The 7-footer from Nigeria started 34 games last season, averaging 13 points and seven rebounds. He shot 77 percent from the field, a Big 12 record and the best mark in the nation.

Azubuike is a traditional back-to-the-basket big man, and scouts have wondered how his skills would transfer to the NBA. The league's

up-tempo pace and the value placed on big men who can shoot from outside go against his strengths, and developing an outside shot will likely be an emphasis at Kansas. Azubuike said in a statement that he received "good feedback from many sources around the NBA over the last month." He did not hire an agent and had until Wednesday's deadline to withdraw.

MELIA'S PK STOP HELPS SPORTING KC TO 0-0 TIE WITH CREW

KANSAS CITY, Kan. (AP)

Tim Melia had his sixth shutout of the season, including a diving save on a penalty kick, in Sporting Kansas City's 0-0 tie with the Columbus Crew on Sunday night. Melia, the 2017 MLS Goalkeeper of the Year, finished three saves. After he was called for a foul against Gyasi Zardes — tied for the MLS lead with eight goals — in the area, Melia went to his left to deny Zardes' penalty kick in the 43rd minute. Kansas City (7-2-4) is unbeaten in its last four games and has just one loss since dropping the season opener against New York

City FC.

The Crew played the second half a man down after Federico Higain was shown a straight red card for a serious foul in first-half stoppage time. Columbus (7-3-4) is unbeaten in its last seven following a three-game losing streak. Zack Steffen had three saves in his MLS-leading seventh shutout this season. Kansas City is unbeaten in its last six home games, outscoring opponents 13-4.

THE UNIVERSITY OF KANSAS HEALTH SYSTEM WELCOMES YOON HANG “JOHN” KIM MD AS INTEGRATIVE MEDICINE DIRECTOR

By Jeffrey Field

Yoon Hang Kim, MD, hopes to make integrative medicine a household word in Kansas City. As the new director of Integrative Medicine at The University of Kansas Health System, he’s eager to help patients with an approach that seeks to find the root cause of health problems, using elements of conventional medicine, alternative medicine, lifestyle medicine, traditional Chinese medicine and other forms of healing. “We’re taking the strengths from all the different systems and putting it together,” he said. The precise combination differs with every patient. For some, conventional treatments like surgery or prescription medication may be the ideal approach. Others may benefit more from lifestyle changes, such as improving diet, sleep or exercise. Dr. Kim may also recommend neurofeedback or neuroanatomical acupuncture, a science-based approach he’s studied for the last two decades. Years of Experience

Dr. Kim, of Korean heritage and a fluent Korean speaker, said when he began studying family medicine, he was disappointed to find that patients and providers don’t have much interaction.

“They may only see each other for 5–7 minutes in a typical office visit,” he said. “Integrative medicine patients often meet with their providers for an hour or more.”

He shifted his focus to medical acupuncture and preventive medicine, which gave him more face-to-face time with patients. He was later offered a chance to study under renowned integrative medicine leader Dr. Andrew Weil at the University of Arizona. He described his two years with Dr. Weil as a transformative experience.

“Until I met him, I did not understand the power of a community with a shared vision,” Dr. Kim said.

Before coming to the Kansas City area, he established an evidence-based integrative oncology prac-

tice and oncology acupuncture services. In early 2018, he took the reins of the groundbreaking KU integrative medicine program. Caring for people in Kansas City

Dr. Kim now keeps a busy schedule seeing patients for both integrative medicine consultations and acupuncture, all while spreading the word about his practice’s approach. He says in Korea, integrative medicine is called Yang Bang (양방), or “two medicine” (Western medicine and Chinese-Korean medicine). A better Korean word, he says, would be Tong Hap (통합의학), or “unified medicine.”

“(It’s) specifically looking at a more scientific approach to treating people and getting the results in a consistent manner,” he said. “I think that’s what patients want.”

“FIXER UPPER” 스타의 계획

‘FIXER UPPER’ STAR DEBUTS COOKBOOK, TALKS POST-SHOW PLANS

NEKESA MUMBI MOODY, AP Entertainment Writer

“Fixer Upper” 가 끝났

음에도 불구하고 Joanna Gaines의 인기는 여전히 이어지고 있다.

최근 막을 올린 HGTV 쇼의 그녀는 “Magnolia Table”라는 요리 책을 발표하면서 요리 기술을 선보였다. 책에 담긴 레시피로 만든 맛있는 음식을 대접하는 임신한 아내에게 장난을 치며 남편은 손님 앞에서 비스킷을 준비했다. 부부는 네 자녀와 함께 보낼 시간을 찾는 것이 책에 대한 영감이었다고 이야기했다. 아내인 Gaines는 “저는 가족과 함께 식탁에서 보내는 시간을 가장 사랑합니다. 주의하지 않으면 눈 깜빡할 새에 인생은 정말 빨리 지나가 버리거든요.”

“Fixer Upper”는 HGTV에서 가장 성공적인 쇼 중 하나였지만 부부는 다섯 번째 시즌을 마지막으로 하차하기로 했다고 한다.

Gaines는 일에 소홀하지 않으면서도 몇 달 후 다섯 번째 아이가 태어나면 약간의 휴식기를 가지고 싶다고 말했다. 그녀는 “일단 아기가 태어나면 시간이 보다 여유로워 지기를 바라고 있다”며 “우리 가족에 새로운 멤버가 생기면 가족으로써 시간을 보다 소중하게 사용하고 싶다”고 얘기했다. 한편, Gaines는 새로운 요리책에 이어 Target에 납품하는 가정용 장식품 라인과 레스토랑, 텍사스의 와코(Waco)에 있는 숙박시설 및 잡지까지 다양한 제품을 출시할 예정이다.

“넷째 아이가 벌써 8살이나 되어 나이 터울이 꽤 나는 편입니다. 그래서 이 모든 준비기간이 너무 신기하고 새롭습니다. 신생아를 위해 무슨 준비물이 필요했던지 생각하는 것도 즐겁고 재미있는 경험이네요.”

“Fixer Upper”의 새로운 에피소드는 없지만 기존 회차들이 HGTV에서 재방송으로 방영 될 것이며, 나무 장인 Clint Harp가 진행하는 “Wood Work”라는 DIY 프로그램이 후속 작이 될 예정이다.

Chip Gaines는 Harp와 그의 아내인 Kelly와 가까운 사이라고 밝히며, 이 부부가 새로운 경험을 충분히 즐기기를 바란다고 전했다.

“시작하자마자 마지막이라고 느끼실 겁니다. 문득 돌아보면 일생에 정말 한번 일어날 일들임을 깨닫게 되죠. 빛의 속도로 순식간에 일어나는 일이니 당시에는 어렵겠지만 때로는 천천히 속도를 늦춰 보기도 하고 때로는 순간을 만끽해 보세요.”

NEW YORK (AP)

Even though “Fixer Upper” has come to an end, Joanna Gaines is still going strong.

The designing half of the just-wrapped HGTV show is showcasing her cooking skills with the release of her “Magnolia Table” cookbook. She showcased tasty food made from the book’s recipes at a recent lunch in New York as hubby Chip cracked jokes and playfully teased his pregnant wife while prepping biscuits in front of guests. The pair talked about the inspiration for the book, which was finding time to spend time together with their four children.

“I just craved those moments around the table with our family,” she said. “If we weren’t intentional about it, life would just really fly by really fast.”

“Fixer Upper” has been one of HGTV’s most successful shows, but the couple decided to call it quits after the

show’s fifth season, which wrapped up earlier this month. Gaines says while she’s not slowing down, she is looking forward to some downtime when her fifth child is born in a few months.

“I think once this baby comes along, I’m really hoping to find time. That’s what we’re really just preparing for, just this new baby coming along and cherishing that time as a family,” she said. The Gaines also have a home decorating line at Target; a restaurant; a bed and breakfast in their Waco, Texas, town; and a magazine.

“My last baby she’s eight (years old) now, so I think this is something I’m learning all over again, even in buying all the stuff — what do I need for a newborn? It’s been a really fun season,” she said. While “Fixer Upper” won’t have any new episodes, it will air in reruns on HGTV, and wood craftsman Clint Harp is getting a spinoff on the DIY channel called “Wood Work.”

Chip Gaines says the couple is close to Harp and his wife, Kelly. He hopes the couple takes time to enjoy the experience of the show.

“It feels like it started, then it was over, and you kind of look back and you notice all of these once-in-a-lifetime experiences that had happened in your wake, but it’s really hard to appreciate them because it felt like they were stacked one on top of the other, then they were coming at you at the speed of light,” he said. “Somehow figure out how to slow the experience down somehow and enjoy the ride.”

총기 난사 피해자 추모; JANET JACKSON과 BTS 2018 BILLBOARD AWARDS AND BTS

MESFIN FEKADU, AP Music Writer

2018년 Billboard Music Awards는 최근 발생한 텍사스와 플로리다의 충격적인 총격 사건으로 영향을 받은 학생과 교사들에게 경의를 표했으며, 상징적인 가수 Janet Jackson과 K-pop 그룹 BTS가 공연을 펼쳤다. 시상식의 호스트를 맡은 Kelly Clarkson은 산타페 고등학교에서 금요일 사망한 10명의 고인을 추모하는 공연으로 빌보드의 막을 열었으며, 다시는 이러한 치명적인 사건이 발생하지 않도록 노력해야 한다며 호소했다. 그녀는 묵념의 시간을 진행해 달라는 요청을 받았지만 되려 “행동의 시간”이 필요함을 주장하기도 했다.

Shawn Mendes와 Khalid는 Marjory Stoneman Douglas Show Choir와 함께 “Youth”라는 곡을 선보였는데 이는 플로리다주 Parkland의 학교에서 17명이 희생된 후 3개월 만이었다. Mendes와 합창단 멤버는 “Youth”라는 글귀가 새겨진 스웨터를 입었고, Khalid “Protect Our Guns Children”이라는 문구에서 Guns가 지워진 스웨터를 입어 총기 규제를 호소하는 메시지를 전달했다.

모든 공연이 추모라는 주제만으로 구성된 것은 아니었다: 잭슨은 그녀의 52번째 생일과 획기적인 앨범이었던 “Janet”의 25주년을 기념하여 과거의 히트 곡들을 선보이며 엄청난 에너지와 카리

스마를 내뿜었다. 화려한 골드 스웨터 드레스와 허벅지 높이의 부츠를 신은 잭슨은 라스 베이거스의 MGM Grand Garden Arena에서 “Nasty”, “If”, “Throb”을 불러 관객을 춤추게 했다. Bruno Mars는 Icon Award의 수상자로 Jackson을 발표하기 위해 깜짝 등장했고, 그녀는 수상 소감을 통해 강력한 여성들에게 경의를 표하는 연설을 했다. 또 다른 하이라이트는 일요일 밤 Top Social Artist (최고의 사회 예술가 상)이 한국 K-Pop 그룹인 BTS에게 돌아갔을 때였다. Clarkson이 BTS를 소개할 때 관중의 환호성은 단연 가장 우렁찼다. 그들의 이름이 언급되거나 카메라가 밴드 멤버들에게 비출 때마다 청중은 열광했다. 7인조 그룹 BTS는 무대에서 춤을 추며 “Fake Love”와 싱글 “Love Yourself: Tear”을 불렀다.

쇼에 참석하지 않았지만 더블린에서 공연한 Ed Sheeran은 Bruno Mars, Drake, Kendrick Lamar, Taylor Swift을 제치고 최고의 영예인 대상을 수상했다. Luis Fonsi는 “Despacito”가 최고의 핫 100곡 상을 가져갔다. Fonsi 상을 수상하기 전에 Chainsmokers와 Halsey는 28세의 나이로 사망한 DJ 프로듀서인 Avicii에게 조의를 표했고, 특히 Chainsmokers는 최고의 댄스/전자 아티스트로 지목되었을 때

Avicii에게도 경의를 표했다. Camila Cabello는 차트 업적상을 수상했으며 “Havana”라는 공연을 통해 군중을 사로잡았다.

Cabello의 전 그룹인 Fifth Harmony bandmate인 Normani는 Khalid와 함께 “Love Lies”를 공연하며 열정을 뽐내었다. Ariana Grande는 Clarkson의 감동적인 연설에 이어 “No Tears Left to Cry”라는 활기찬 곡을 선보였고, John Legend의 공연은 그의 아기 사진을 경기장의 대형 스크린에 비추는 것으로 끝났다. Salt-N-Pepa가 R & B 그룹 En Vogue 및 Clarkson과 함께 히트 곡을 연주하면서 넘치는 에너지로 쇼를 마감했다.

The 2018 Billboard Music Awards paid tribute to the students and teachers affected by recent deadly shootings in Texas and Florida, while the night also featured show-stopping performances by iconic singer Janet Jackson and K-pop group BTS.

A tearful and emotional Kelly Clarkson, who hosted the awards, opened the show in honor of the 10 people who died Friday at Santa Fe High School, barely able to speak as she urged the audience and the world to do more to prevent deadly shootings from happening. She said she was asked to hold a moment of silence, but chose instead to call for “a moment of action.”

“Once again we’re grieving for more kids that have died ... I’m so sick of moment of silences ... it’s not working,” she said Sunday, almost in

tears. "Mommies and daddies should be able to send their kids to school."

Shawn Mendes and Khalid were joined onstage by the Marjory Stoneman Douglas Show Choir for the song "Youth," a performance occurring three months after 17 people were killed at the school in Parkland, Florida. Mendes and the choir members wore sweaters that read "Youth," while Khalid's shirt read "Protect Our Guns Children" with "Guns" crossed out.

The show wasn't all somber though: Jackson rocked the Billboard Awards with an energetic and powerful performance of her past hits in an epic week that included her 52nd birthday and the 25th anniversary of her groundbreaking "janet." album. In a glittery gold sweater-dress and thigh-high boots, Jackson sang "Nasty," "If" and "Throb" as audience members such as Ciara and Tyra Banks danced along at the MGM Grand Garden Arena in Las Vegas. Bruno Mars made a surprise

appearance to introduce the singer, who earned the Icon Award.

Jackson used her speech to pay tribute to powerful women.

"Women have made it clear that we no longer will be controlled, manipulated or abused. I stand with those women and with those men equally outraged by discrimination who support us in heart and mind," she said onstage.

Another highlight came when BTS, who won top social artist Sunday night, performed onstage.

Clarkson sported huge, puffy earmuffs as she introduced the K-pop group, who easily earned the loudest applause from the audience throughout the night. Whenever their name was mentioned, or when the camera panned to the band members, the audience erupted — some even holding fan made signs. The seven-member group danced slickly onstage as they sang "Fake Love," the single from their album "Love Yourself: Tear," released Friday. Ed Sheeran, who didn't at-

tend the show but performed from Dublin, won the night's biggest honor — top artist — besting Mars, Drake, Kendrick Lamar and Taylor Swift. But Swift didn't leave empty-handed: She won top female artist and top selling album for "reputation." She said that before she created "reputation" she "felt really misunderstood by a lot of people."

"Thank you for making me feel understood again," Swift said to her fans.

Luis Fonsi was passionate when he picked up top Hot 100 song for "Despacito," the biggest hit of the last year which also included Daddy Yankee and Justin Bieber. Before presenting the award to Fonsi, the Chainsmokers and Halsey remembered Avicii, the DJ-producer who died last month at age 28. The Chainsmokers also paid tribute to Avicii when the duo won top dance/electronic artist.

"We want to dedicate this award to Avicii," said Andrew Taggart, adding that the Swedish musician "inspired all of us, influenced our mu-

sic."

"He will be missed," Taggart said. "I hope you found peace."

Camila Cabello won the chart achievement award and also won over the crowd with her performance of "Havana," as audience members Mila Kunis and Rebel Wilson sang along and danced happily.

Cabello's former Fifth Harmony bandmate, Normani, was fierce as she performed "Love Lies" alongside Khalid; Grande followed Clarkson's emotional words with an energetic performance of "No Tears Left to Cry"; and John Legend's performance ended with a photo of his new baby boy displayed on the large screens at the arena. Salt-N-Pepa closed the show with high-energy, performing the hits "Push It" and "Whatta Man" alongside R&B group En Vogue and even Clarkson.

DOMESTIC FILM "BELIEVER" TOPS HIGH-RANKING "DEAD POOL 2" IN BOX OFFICE

<https://www.hancinema.net/domestic-film-believer-tops-high-ranking-dead-pool-2-in-box-office-119090.html>

The movie "Believer" is in the lead with over 2.4 million audience members. "Dead Pool 2" comes next with 3,340,000 million viewers - it's the highest ranking adult rated Marvel movie yet.

According to the Korean Films Commission, "Believer" recorded 299,870 on the 30th alone and has an accumulation of

2,407,038, putting it on top of the Box Office.

"Jurassic World: Fallen Kingdom", which is coming out on the 6th of June, is currently in the lead for highest tickets sales and "Believer" takes up 29.7%, which adds up to 50,838 tickets.

"Dead Pool 2" has an accumulation of 3,344,397 and is in

third place. By the 11th day of its release, it had over 3 million views, which beats the record by "Kingsman: Secret Agent".

"The Avenger: Infinity War" is third in accumulation with 11,054,406, "Truth or Dare" comes in fourth with 15,344 and "Deja Vu" in fifth place with 15,213.

PASTOR' S WORD

목사의 말

그것은 회개가 아니다

그것은 회개가 아니다. 그저 죄를 가리는 속임수에 불과할 뿐이다. 지난 1월 29일 현직 여 검사가 어느 뉴스 인터뷰에서 폭로한 Me Too (나도 당했다!) 말미에 성추행 당사자에게 전하고 싶은 말을 이렇게 남겼다. “회개는 피해자들에게 직접 해야 한다!” 그 말이 여전히 컷가를 떠나지 않는다. 교회 예배당에서의 회개가 킁킁한 지하 구석에서 돈세탁을 하듯 회개자의 양심만 씻어주지 않나 라는 생각이 가슴 한 복판에서 떠나지 않는다.

회개를 뜻하는 성경 언어인 히브리어는 “슈브”로 ‘돌아가다, 돌이키다’의 뜻이 있다. 성경 레위기 6장은 누군가에게 피해를 끼쳤을 때, 배상을 명한다. 성경에 기록되어 있으니 지울 수도 외면할 수도 없다. 그것은 구약이고, 우리는 신약 시대에 살고 있으니 비껴 갈 수 있다고 예

둘러 말해서는 안된다. 그때는 맞고 지금은 틀리다! 그때와 지금은 다르다! 는 어설픈 말도 구차한 변명일 뿐이다. 예수께서 율법사에게 강도 만난 자의 이웃이 누구인지를 가르쳐 주신 후 “너도 가서 이와 같이 하라!” 하신 말씀은 그저 앞으로 잘해! 가 아니다. 과거 청산이 있어야 한다. 여전히 율법사로부터 외면 받았던 인생들이 울고 있다. 율법사에게 도움을 청했지만 귀를 막았던 율법사로 인해 절망한 영혼들이 율법사의 옆집에 살아 가고 있다. 옆집, 이웃을 아프게 하였던 그 과거의 어느 날. 그 때로 가서 용서를 구함 없이 앞으로 선한 사마리아인처럼 살면 되지! 는 품어서는 안되는 거짓된 회개이며 결단이다. 예수의 말은 “너의 과거로 돌아가라! 그리고 너로 인해 눈물 흘렸던 이들, 상처 받은 이들에게 용서를 구하라. 그것이 두번째 선한 사마리아인의 길을 걸어가는 것이다” 이다. 집으로 돌아오는 탕자는 그의 과거로 돌아간 것이다. 잘못 결정하고 선택한 자신의 과거로 돌아갔고 회개하였다. 탕자는 하늘(하나님)에게만 죄를 범하였다고 고백하지 않았다. 아버지에게도 그는 죄인이었고, 그의 죄의 짐을 내려 놓기 위해 아들이 아닌 종이 되기를 구하였다. 이것이 회개이다.

삭계오가 바로 그런 인물이었다. 아무도 삭계오의 이름을 불러 주지 않았는데 예수는 분명하게 말하였다. 삭계오야

내려와라! 그저 나무에서 내려오라는 것이 아니다. 탐욕의 과거에서 내려올 것. 상처 주었던 과거에서 내려 올 것. 여전히 그로 인해 울고 있는 이들에게 용서 구하는 자리로 내려 올 것을 말한 것이다. 삭계오가 내려왔다. 그는 예배당에서 숨 죽이며 경건한 자세로 하나님께만 자신의 과거 청산을 하지 않았다. 재산의 절반! 토색한 물건의 네 배를 갚는 회개를 하겠다 하였다. 즉 삭계오가 예수의 사람으로 미래로 나아가기 위해 슈브! 그의 과거로 돌아갔다. 이것이 회개이다.

바울이 동역자 빌레몬에게 편지를 썼다. 빌레몬 집에서 도망친 노예 오네시모가 감옥에서 바울을 만나 예수님을 영접한 뒤였다. 오네시모가 바울의 신실한 동역자가 되었으나, 아직 해결하지 못한 문제가 있다. 주인 빌레몬에게 갚을 것이 남은 것이다. 바울은 오네시모를 빌레몬에게 “슈브!” 돌려 보낸다. 오네시모는 단지 주인에게만 돌아간 것이 아니다. 그의 과거로 “슈브!” 돌아간 것이다. 주인에게 범하였던 죄의 자리로 돌아가서 죄를 청산해야 했다. 그것이 예수의 제자로서 마땅히 행해야 할 삶의 상식이며 정상적인 회개이다.

그런 의미에서 볼 때, 회개는 피해자들에게 직접 해야 한다는 여 검사의 말은 지극히 상식적이면서도 성경적이다. 교회 예배당은 회개의 면죄부를 찍어내는 곳이 아니다. 단 몇 초만에 회개하였다 하여 용서

를 받는 회개의 목욕탕은 더 더욱 아니다. 사람에게 죄를 범하였다면 그에 따른 마땅한 책임과 보상이 있어야 한다. 회개는 하늘만 바라보는 것이 아니다. 회개는 하늘과 땅을 동시에 바라보는 것이다. 회개는 앞으로 변화되면 돼! 라는 결단 이전에 슈브! 뒤를 다시 바라보는 것을 통해 변화된 미래로 나아가는 것이다. 죄를 다루는 수준, 회개의 수준을 낮추면 그것은 타락의 절벽에 위태롭게 한쪽 발로 버티고 서 있는 것과 같다. 회개의 자리는 예배당을 넘어서야 한다. 예배당 밖, 여전히 그 상처와 아픔으로 인해 가슴을 쓸어 내리고 있는 그 누군가에게 슈브! 돌아가서 용서를 구하는 것이 회개이다. 이 지극히 평범한 성경의 상식이 어색해 지거나 외면 받는 순간 회개는 나를 타락시키는 해독제 없는 지독한 바이러스가 된다.

COLD BUCKWHEAT GUKSU
물 냉면, MUL NAENGYEON

September 26, 2010 by Aeri Lee
http://aeriskitchen.com/2010/09/cold-buckwheat-noodle-soup/

Cold buckwheat noodle soup is a number one summer dish in Korea. It is a very cool and refreshing meal. Some people like to eat this in the cold of winter too. You can make a large portion of broth and beef and then freeze them. This way, whenever you want to have this dish, you can quickly and easily prepare it. There is a package that is sold for this noodle, which includes the buckwheat noodles, broth powder, and liquid seasoning. With that, you only need some garnishing such as the beef, egg, pickled radish, pickled cucumber, or Asian pear depending on your tastes.
Yield: 4 Servings

Main Ingredients

- 3-4 Servings Buckwheat Noodles for NaengMyeon
- 10 oz Beef
- 2 Hard Boiled Eggs
- 1 Asian Pear

- Some Pickled Radish
- Some Pickled Cucumber
- Some Sesame Seeds
- Beef Broth Ingredients
- 4 oz Korean Radish
- 12 Cups Water
- ½ Onion
- 2 Green Onions
- 6 Garlic Cloves
- 1 Finger Nail Sized Piece of Ginger
- 5 Pieces Kelp (1x2 inch)
- ½ tsp Peppercorns
- 2 tsp Soup Soy Sauce
- 1 tsp Salt
- 1 Tbsp Sugar
- 1½ Tbsp Vinegar
- Directions

To make the broth, in a large pan, add 12 cups of water, 10 oz of beef, 4 oz of Korean radish, ½ of an onion, 2 green onions, 6 garlic cloves, 1 finger nail sized piece of ginger, 5 pieces of kelp (1x2 inch), ½ tsp of pepper cones.

Once it starts to boil, wait 5 more minutes, and remove the kelp and cook for the rest of the 1½ hours on medium. Occasionally remove the

foam from the surface of the broth. After the broth is done, drain the broth with cheesecloth to make the broth clear. Only save the broth and the beef; discard the rest. You will get about 5 cups of beef broth. Pour the broth in a 1.5 quart sized glass storage container. Add 2 tsp of soup soy sauce, 1 tsp of salt, 1 Tbsp of sugar, and 1½ Tbsp of vinegar. Mix well and taste it. Depending on your taste you can add more vinegar or salt. Keep this broth in the refrigerator, and place it in the freezer for about 3 hours before serving. You can also store it in the freezer and thaw it when you are ready to make this dish. When the beef has cooled down, slice it thinly to use as a topping later. For the topping, prepare the pickled radish and pickled cucumber dishes ahead of time. You can click on those links for the posts that describe how to make them. Cut the hard-boiled egg in half and slice an Asian pear thinly. These will be used as toppings also. When all the broth and toppings are ready, cook the buckwheat noodles in boiling water for about 2 minutes.

Follow the instructions from the buckwheat noodle package you have. Rinse the cooked noodles in cold water twice and drain the water. Take the broth out of the freezer. It will have some nice chunks of ice in it. In a serving bowl, add some noodles and put some of the pickled radish on top. Garnish it with the pear, pickled cucumber, beef, and the egg. Pour some of the broth in the bowl right before serving. That way the ice will not melt away before it is time to eat. Depending on your taste, you can add a little bit of Korean mustard paste or vinegar. Sprinkle some sesame seeds on top. It is ready to serve. Cool and delicious~~~ You should try it someday. Thanks.
